

Barney Rubble

Barney Rubble is an 8 month old male Shih Tzu that lives with Steve and Vickie Frank as well as their two other dogs, Goliath and Gizmo. He can be found sleeping in bed with Steve and Vickie or in front of the pellet stove. He loves to play with balls, his stuffed hot dog and crinkle toys. Barney Rubble is very curious and inquisitive about the world around him and he is fascinated with traffic and cars, but is not a fan of going for car rides. Barney Rubble gets along well with Goliath and Gizmo and enjoys playing with them; however he likes to antagonize them. He also loves to be outside playing.

Barney is very talented at walking on his back legs. He gets along well with people and especially likes their grand-daughter. She likes to put bubbles on his nose and head when she is in the bath. His favorite treats include Pup-Peroni, Beggin' Strips and table food. He has been known to crawl under the blankets once the bed is made. He will crawl under by the pillows and sleep there for quite a while. One time Steve and Vickie came home and could not find him. He was curled up on a sheep skin blanket under his bed in his kennel and could not be seen. The doctors and staff at Cedar Grove Veterinary Services look forward to seeing Barney Rubble and the rest of his family for years to come.
