

The Pet of the Month is...

Aspen

Aspen is an 11 year yellow Labrador Retriever that lives with Gary, Julie and the rest of the Depies family. Aspen enjoys sleeping on her dog bed and on her blanket. While she has never been the biggest fan of toys, she does like basically any treats. Aspen likes riding in the Gator and the van. She also looks forward to going to the family farm, but what Aspen really loves is getting petted.

Aspen lives with a cat named Kitty and they get along great. They like to share blankets and sleep together. Aspen can sit and shake paws. She also knows what belly rubs means. Aspen is very mellow and loves being around her family.

The doctors and staff at Cedar Grove Veterinary Services look forward to seeing Aspen and the rest of her family for years to come.
