# Jake

Jake is a 4 year old black and white mixed Border Collie that lives with Dave and Jean Weyker. Jake enjoys sleeping on the couch as well as in the bed. He loves chewing on bones and will take any kind of treats. He is really not fussy; however he is on a diet so he is not getting as many treats at this time.

Jake likes going for his daily walk with his dad and going for rides in the car. Jake got a little sister, Trixie, 2 months ago and they get along well. Trixie likes to chew on Jake. Dave and Jean learned that Jake does not like going for elevator rides when they went to see their daughter. Also after the elevator ride he was even afraid of the stairs.

The doctors and staff at Cedar Grove Veterinary Services look forward to seeing Jake and the rest of his family for many years to come.
