

Jo Jo

Jo Jo is a two year old tri colored Tree Walker Coonhound that lives with Larry and Sue Okay. One year ago Sue went to Petsmart in Grafton to buy treats for their other dog and saw Jo Jo there. It was love at first sight. They adopted Jo Jo from Tailwaggers 911 Rescue. Jo Jo originally came from Georgia and she loves to sleep on Larry and Sue's bed. She looks forward to bed time and will sleep between Larry and Sue.

Jo Jo is not picky about her treats and will eat any kind. She absolutely loves her Chuckit® ball. She goes crazy when she sees the Chuckit® wand and when she sees the ball she gets beyond excited. She plays Chuckit® in the morning and at night. She also enjoys going for runs in the woods and going for walks in the fields around their house. She also likes going for shed hunts. Jo Jo lives with another dog in the house named Josie and they get along great.

Jo Jo likes to chew on things and she is afraid of loud noises such as thunderstorms and snowplows. The doctors and staff look forward to seeing Jo Jo and the rest of her family for years to come.
