

The pet of the month is...

Ruby

Ruby is an almost 2 year old Chocolate Lab owned by Lora Kraetz. Ruby is one of 12 puppies that were born on December 8th 2010 in Port Washington. Lora brought Ruby home to live with her in Sheboygan when she was 8 weeks old. Lora says that Ruby is one of the mellowest labs she has ever seen. Ruby's full name is Ruby Rose but she only hears that when she is being naughty. When Ruby was about a year old she got a little sister, Olive who is a mixed lab. The two dogs get along great and Ruby only taught Olive good habits. They love to play and wrestle together.

Ruby loves to sleep on Lora's bed and is a known bed hog. Her favorite treats are bananas, carrots and peanut butter. Ruby loves going to the bank and to Starbucks in Sheboygan because she gets treats there. Ruby knows where she is the moment they pull in the driveway. When she was younger the person working the drive through could not see Ruby very well until she learned to put her front feet up and look out of the window; She no longer has to worry about that anymore as she can easily see out the window. Ruby also loves going to Pets on the Patio at Starbucks on Saturday mornings. Ruby loves going to the dog park and to doggie day care to visit and play with her friends. Ruby along with Olive ride so well that on occasion Lora has gotten all the way to work and then realized that Ruby and Olive are still in the car with her and that she forgot to drop them off at doggie day care.

Ruby likes to play ball but her absolute favorite thing to do is swim. Lora lives near the lake in Sheboygan so Ruby spends plenty of time playing in the waves. She also has a kiddie pool that she loves to lay in and call her own. Ruby learned how to dive off of a diving board into a pool and loves doing that trick. She also knows how to sit, stay, lie down and shake (paw).

We look forward to many years of working with Ruby and her family.
