## Snickers

Louise Hansen adopted Snickers, a 5 year old Torti Point from Sheboygan County Humane Society 4 months ago. Louise has always been a lover of Bichon Frise dogs and never thought that she would have a cat until she saw Snickers. Since Louise has a rather busy household with her dogs she convinced her church into having a cat to live there. Lousie loves Snickers very much and wishes that she could bring her to live at her house but can't with the dogs.

Snickers was surrendered to the humane society because of urinary accidents. She was then adopted and returned two other times before Lousie adopted her. So far Snickers is loving life at the church and there have been no urinary accidents. When Lousie first brought Snickers to the clinic for an exam, Dr. Dommer recommended that Snickers lose weight so Louise is working on that. Snickers has really come out of her shell since going to the church. At the humane society she was shy and a little crabby but now she is happy, loving, and more active.

Snickers loves to sleep in the rocking chair in the church office, on Lousies' lap, anywhere there is sunshine and on her purse. Snickers loves purses and will investigate every purse that she comes into contact with. Since Snickers loves purses so much Lousie bought her one of her very own at the church rummage sale. Snickers adores her toys which consist of sponge golf balls, milk jug rings, Da Bird® and her Undercover Mouse®. Her favorite treats, which Louise gives her sparingly, are any flavor of Friskies Party Mix and her favorite food is any seafood flavor of canned paté. She loves looking out windows and jumping on cupboards when she is not sleeping on her purse or working.

Since Snickers lives at a church she has to do a little bit of work. She loves helping Pastor Ann with sermons as well as giving advice about meetings and reports. She is also the greeting committee for any visitors, which she really enjoys doing when the visitors come with purses.

The doctors and staff at Cedar Grove Veterinary Services are looking forward to many more years with Snickers, Louise and their Bichon Frise friends.
