

## Spotlight on employee pets...

Lucky

Owned by: Theresa

Age: 11 yr 9 mon

Breed: Mixed Jack Russel Terrier

Fun Tidbit: Theresa adopted Lucky at Madison Area Technical College, when she was in the veterinary technology program. Lucky spent a semester as a demo dog for the students to practice on.

Fun Tidbit: Lucky likes to ride on 4-wheelers with Theresa.

Tricks: Lucky can shake, sit pretty, walk on his hind feet, wave, and will jump over four feet in the air for a treat.

Food: Lucky is currently on Science Diet b/d

Health Conditions: Lucky is going deaf and blind. He is also starting to show some cognitive dysfunction. Because of this he was started on b/d which seems to be helping some at this time. He also wears a LightHound® light up harness so that he can be seen when outside.
